Flying High!

**H**istorically divided by race and culture, two unlikely friends, mischievous Huckleberry Finn and a runaway slave named Jim, set out on the most extraordinary journey of their lives rafting down the Mississippi River towards a life of freedom.

Join Huckleberry Finn and Jim as they embark on an unforgettable journey, eventually falling into the clutches of two con men, The Duke and The King.

**'THE ADVENTURES OF HUCK FINN'** is on general release 27th May.

We have got 10 Huck Finn Rucksacks and 10 copies of the original book to give away in our special competition. If you would like to try and win, all you have to do is answer the question below!

**Who wrote the classic American book 'The Adventures of Huckleberry Finn'?**

Send your answer, together with your name and address on the back of a postcard or stuck-down envelope to: Huck Finn Competition, Mickey's Mail, P.O.Box 61, London, WC1H 9SG. The closing date for entries is 25th June 1994. The first 20 correct entries out of the bag on the closing date will each

receive a prize. The Editor's decision is final and no correspondence shall be entered into.

## The Pirates Of Port Placid

### PART 2

Bad Pete the pirate has thrown Mickey overboard after boarding his ship on its way to the Island of Jomoko! Now Mickey sees his ship running out of control - with Miss Minnie, the island governor's daughter, still on board in Bad Pete's hands...

Omigosh, I hope Miss Minnie isn't hurt!

Panic reigned on board Mickey's ship...

Get the governor's daughter aboard my ship before this tub sinks!

Aye, Aye, Cap'n!

Break out the rope ladders!

Unnoticed by the pirates in the confusion, Mickey reaches his ship -

Goofy!  
Somebody! Throw down a rope!

Throw down a rope! Throw down a rope!

Huh? Oh... aye,  
aye, sir!

Minutes  
later...

Thanks, Goofy!  
How's  
Miss Minnie?

Dunno, skipper!  
Bad Peter took her  
aboard his ship!

Then she's in danger!  
We can't do  
anything about it  
for the moment!

They're tryin' to  
untangle thuh ships!

Hurry up! Get that  
wreck loose!

She's free,  
cap'n!

We'll rake 'er with  
a broadside!

Hit the  
deck!

Hit the  
deck!

BOOM!

BOOM! BOOM!  
BOOM!

She's putting about!

Idiots! You've aimed your guns too high!

Now we're gonna have to wait  
for the smoke to clear!

We're safe at least till they reload!  
Good thing no one's invented  
smokeless powder yet!

I'll hound him across all seven of the seven seas!  
I'll cut him to ribbons!

And as for you, how could  
you let this happen to her? I thought  
I could trust you!

L-let me  
explain!

You can do your explaining when you  
bring back my daughter unharmed!

Cut him to ribbons!

Oof!

Oof!

You're supposed to knock before  
entering my office, Cringely!

I-I did, sir! There's a letter for  
you marked **urgent**!

Why didn't you say so?  
Give it to me!

Y-yes, sir!

Bah! Stupid official business at a time like this!

RIP!

EXCELLENCY,  
YOU HAVE PROBABLY  
HEARD YOUR DAUGHTER  
IS A GUEST ABOARD MY  
SHIP. I WILL BE ARRIVING  
AT PORT PLACID TOMORROW  
AND I'LL EXPECT THE TOWN  
TO BE ENTERTAINING ME  
AND MY MEN - IF YOU  
KNOW WHAT I MEAN.  
BAD PETE

It's from Bad Pete! The scoundrel!  
He's going to hold my daughter hostage  
while he ransacks the town! I'll... I'll...

Hang about!

You're behaving  
stupidly! Throwing a  
wobbly like that  
isn't going to solve  
anything!

We're as worried about Miss Minnie  
as you are! But let's do some cool thinking  
and cut out all this hot-headed stuff!

Hot-headed stuff!

As dawn broke the next day...

All set, cap'n!

Good! Cast off as  
soon as I leave!

All set, cap'n!

Now... do I look like a crummy waterfront tramp?

You shore do!

Well, just look at this lot! Rope, knife,  
waterproof pistol - you name it, I've got it!

At the local fort...

She's coming this away,  
your excellency!

Now remember!  
No shooting!

I think I see Miss Minnie, your excellency!  
She appears to be having breakfast!

Breakfast?  
Give me that  
glass!

It's my daughter, all right! And she's  
eating with that scoundrel!

Sh-she looks  
unharmed, sir!

And I want her to stay that way!  
Don't lose your heads! Keep cool! Like me!

CRASH!

On board the pirate ship...

Another crumpet, Miss?

No! When will I see  
my father?

In time, in time! I've  
got some business to  
do on shore first!

SLURP!

Approaching  
the dock, Cap'n!

Well, well! D'you reckon  
the natives are friendly,  
Mister Weasel?

They'd better  
be, Cap'n! For  
their sakes!  
Haw Haw!

Drop anchor! I'm going ashore!  
Keep all guns loaded and primed,  
just in case of treachery!

SPLASH!

Soon...

Okay, boys! Let's see what this town has to offer!

What about my daughter?

What about her? She's okay! In fact she kinda likes it aboard my ship!

Just as I feared! Bad Pete isn't going to release Miss Minnie!

Very soon, Port Placid was anything but placid...

Yahoo! Lookut me!  
I'm be-decked with jewels!

Sure you've got everything?

The dock was piled high with loot...

Step lively, mates! The sooner this stuff's aboard the sooner we can shove off and celebrate!

Hey, fisherman! Lend us a hand getting this stuff aboard!

Sure!

I thought he'd never ask!

When you unload that lot,  
come back for more!

Y-yessir!

Several loads later...

# TRICKS N' THINGS

LAUGH OF THE WEEK

Someone disturbing your sleep by coming home late? Here's a way to surprise them!

Thunder at midnight!

As soon as they hit the thread, down comes the board, then - crash!

## The magic triangle

Cut a perfect triangle out of a piece of paper and draw these three magic symbols in each of the three corners. They'll cast a spell on your triangle!

Now tear the triangle into three pieces and lay the pieces with the magic signs together, as shown on the right. You'll see that your bit of magic will now give you a perfect straight line!

P.S. You'll still get a line no matter how you tear the triangle!

The answer to each of these clues begins with the letters TRI: Neptune's spear, group of three, figure with three sides and three angles, insignificant thing, praise or homage, threefold, court of justice. Answers:

Triangle, trio, trangle, trike, tribute, triple, tribunal.

## Three in one

Can you arrange the letters in the word below to form a three-letter word meaning atmosphere, a four-letter word for a precious stone, and a four-letter word for a musical sound?

**OPERATIONAL**

Answer: AIR, OPAL, NOTE.

## Cash Question

Graham saves 18p a week, and Neil saves 3p a week. Graham has 72p and in six weeks time will have three times as much as Neil. How much has Neil now?

Answer:

42p.

## Games two can play

### Duel

Here's a hair-raising game that you need two hairs for - so one of the players should be someone with long, straight hair. Cut out two hairs, one for each player, then cross yours with your opponent's, as in the picture. The winner is the one who breaks the other's hair. (Uncle Scrooge doesn't have long hair, of course, so he had to borrow this one!).

## Inside Emil Eagle's workshop

### FUNNY FUNNEL - 1

You'd think that if you put a dry cork in a funnel under running water the cork would float, but it doesn't. Now put your finger under the funnel and the cork will start to float. Take your finger away - and the cork will continue to float!

I betcha ...

## Don't touch!

Say to a friend: "I betcha you can't get all three pencils in the picture on the left on to the paper without touching one of the pencils!"

### Here's how ..

1. Draw out the paper from under the middle pencil.

Which creatures are associated with each of the following: St. George, Dick Whittington, Robert Bruce, the American emblem?

Dragon, cat, spider, bald eagle. Answer: Dragon, cat, spider, bald eagle.

2. Pick up the left pencil with the piece of paper under it, taking care not to let it roll on to your hand.

3. Do the same to the pencil on the right.

4. Now lay the three pencils side by side, and slide the paper back under all three of them.

### Tongue Twister

Say this five times quickly: Brian Brown borrowed a book and brewed a beverage to banish boredom.

## Inside Gyro's workshop

### FUNNY FUNNEL - 2

Fill a deep bowl with water and plunge a funnel into it quickly. Water will leap up

- ) through the funnel's spout like a fountain! Remember the faster you push down the funnel, the higher the water will rise!

### Fast work!

## Glassy-eyed marble!

Put a marble on the table and put an old glass over it. The glass should have a fairly narrow opening, like a wine glass or a brandy glass. Now rotate the glass very quickly on the table.

The marble will climb up the wall of the glass, just like a skateboarder on a high wall.

Then you can lift up the glass without the marble falling out!

If your parents don't like the idea of you using their glasses for this trick, try it with a plastic beaker, but first, cut the bottom out of it.

# BEAGLE BOYS

## The Cast Iron Alibi

This tunnel is your thirty-seventh! You're ruining the prison foundations! You've only got a week of your sentence left! Why still try to escape?

D91405

It's our duty to escape! We're Duckburg's most notorious crooks!

It's a matter of pride and honour!

And we fancied some chips!

Hermann's chips! They're delicious! They're really worth escaping for!

Well, it's my duty to stop you from escaping!

So, for the last few days of your sentence, I'm sending you to Coldbitz Castle, the most escape-proof prison in the country!

They're terrific with ketchup! Mmmm!

And so...

With a touch of ground black pepper as well!

Will you shut up about chips? We won't be get any chips in there!

Not long afterwards...

Hooray! We're the first ever to escape from Coldbitz!

Let's get some of Hermann's chips to celebrate! With ketchup and...

No! We've got to get back to the cell before the guards find we're missing!

But we should be out robbing!

And what about my stomach?

Forget about that! I've just thought up the perfect crime!

This crime had better be more perfect than Hermann's chips!

It will be, I promise you!

Soon...

See you in an hour, boys!

Now, what was wrong with our last crime?

We got caught!

Exactly! And we got caught because the judge wouldn't believe our alibi — that we were in a play called, "The Last Two People on Earth"!

Yes, I remember feeling rather left out!

Don't you see? Now we've got a perfect alibi!

We were in a play called, "The Last Three People on Earth"?

I don't get it!

No! We were in jail, knuckleheads! A jail no one's ever escaped from! It's a cast iron alibi!

Got it!

Not long afterwards...

See you in an hour boys!

Remember! We've got to be quick! We've only got an hour!

TRUNDEL!

CLANG!

Soon...

Stop! Please! I've swallowed a time bomb and it's going off in fifty-five minutes!

SCREEECH!

And then...

They haven't changed the schedule! They must have thought they were safe, with us in prison!

Argh! Looks like we're going to be robbed again!

After the collision...

Hey! Did you know, you three look amazingly like the Beagle Boys?

People keep saying that! The police even lock us up sometimes - by mistake!

That's it! Let's go!

Well, that part certainly went well!

SCREECH!

WAIT! STOP!

What's up? Is it the police?

No! I just wanted to get some chips!

What would you say if I told you a gang of thieves has been spotted in Duckburg who look just like you?

They sound like a good-looking bunch of guys!

They were probably fashion models!

Are you sure it wasn't you?

Don't be daft! No one's ever escaped from Coldbitz!

That's a funny thing...where d'you get those chips?

Would you like one? They're from Hermann's! No one fries like Hermann!

Ah-ha! Then you have been out of here! To buy those chips! Now all I have to do is find out how!

I'll show you!

Come on, boys! We'll go down in history as the only people who escaped from Coldbitz twice!

Faster, you slow-coach! You're blocking the tunnel!

I can't! I've eaten too many chips!

They're after us!

Soon...

Hey, come on boys! Look on the bright side! They got us... they got our money...

...but I ate all the chips before they could get them!

# TEST YOURSELF

## WHICH COLOURS SUIT YOU BEST?

Colours play an important part in everyone's life. Green is for hope, red is for love ... every colour has its special symbol. So when you're buying flowers, clothes, jewellery, even a pet or a car, it's always a good idea to know which colour is really right for you. How can you tell? Well, try this quiz - it'll make you colour conscious!

1. Which of these sports would you most like to join in?
- Surfing.
  - Golf.
  - Hang-gliding.

2. What's your favourite food among these three?
- Ice-cream.
  - Hamburger.
  - Taramasalata.

4. Which of these seasons do you most like?
- Winter.
  - Spring.
  - Summer.

3. Where would you most like to spend your next holiday?
- Camping.
  - In the jungle.
  - At an open-air swimming pool.

5. Which of these TV programmes do you like the best?
- Baywatch.
  - Gladiators.
  - Blind Date.

6. If you could choose to spend a year in a different age, which would it be?
- In the future.
  - In the Middle Ages.
  - In the Stone Age.

### HOW TO SCORE

Give yourself the following points for the colours you chose on each question, then add them up: blue, 0 point; red, 5 points; green, 10 points.

**0-19 POINTS**

You're a sporting, outdoor type, who likes nothing better than to take off with a group of friends and have lots of fun together. Gaudy pinks, fiery reds, deep blues, strong greens, shiny yellows - you like, and should always choose - strong colours to match your outgoing personality.

**20-39 POINTS**

Turquoise, the colour of the sea, pastel greens of early Spring, all the lovely soft shades of sunset and the light colours of nature - they all seem to be made especially for YOU! Why? Because they reflect your yearning for freedom, and they match your romantic spirit!

**40-50 POINTS**

The so-called "classic" colours best express your quiet, thoughtful and fairly introverted nature. These are strong "neon" colours, and "earthy" colours like greens and browns. Mixes are also right for you - like spots of colour, stripes, and subtle shades that merge into each other.

# DONALD DUCK

## A Ghost In The Camp!

I thought this was supposed to be a **camping** holiday!

It is! But last time we went on a camping holiday it took Unca Donald a week to put the tent up!

That's because that was the world's stupidest tent! Anyhow a mill will be much safer!

Wow-ee! We may need a safe place! It isn't very safe here!

Stop! Thief!

But...

That bridge doesn't look safe to me!

Let's stop here and go and have a look!

Ah!

Lucky the roof isn't solid rock, too!

THWACK!

But, not long afterwards...

Another busted bridge! Only a ghost could cross that! Or that crafty bird!

Hang about! Someone's repaired this bridge with new wood! We can cross it!

And so...

When we get to the other side it should be easy to pick up his tracks again!

But...

The footprints have disappeared! The ground's too hard!

Maybe he was picked up by a helicopter! Or...

Oh, no! I told you it was that bird!

Uncle Donald! Come back! It can't be that bird!

Why don't we just leave him to look after himself?

Have you gone mad, Uncle Donald?

No! I've found out where that bird lives though!
